

Montara Water & Sanitary District

Staying Ahead of our Local Community Needs

Montara Water and Sanitary District (MWSD) works every day to deliver water, garbage and sewer services for the residents of Montara and Moss Beach. Over 6,000 residents rely on our services for their homes and businesses.

December 2021
- January 2022

News for You: Keep RAIN out of our Sewer System; Food Waste and Composting; Caltrans Update; Community Service Academy #2

Keep RAIN out of our Sewer System to stop flooding!

Check your property's DOWNSPOUTS and SUMPPUMPS to ensure they are NOT discharging into the sewer!

When rain arrives, water from your gutters or basements can overwhelm the sewer system and cause sewage flooding in properties and streets.

Downspouts and sumppumps should discharge outside and away from your property.

FOOD WASTE AND GREEN MATERIAL COMPOSTING BEGINNING JANUARY 3, 2022

Beginning the week of January 3, 2022, your ninety-six gallon green cart will now be picked up weekly with your garbage and recycling carts and should be placed curbside no later than 5am on pickup day. **The additional thirty gallon can will no longer be accepted starting in January 2022.**

Please have cart curbside, when full, each week with your other carts.

November Caltrans Bypass Lands Update

Since July, the MWSD Board has continued to pursue information from Caltrans District 4 regarding the hazardous fire conditions on the Caltrans' Bypass Lands property. On November 11, we issued our third letter.

As we noted in October, some targeted thinning activity has occurred on the property, and more recently, one of the abandoned buildings has been disconnected from electrical lines. However, the property is far from fire safe.

Our recent letter submitted a formal public record request for information on previous and currently planned maintenance work on this property. We also continue to pursue execution of the Specific Plan included in the 2013 Local Coastal Program Update action for this parcel. No action on the community's concerns has occurred during the last 8 years.

We look forward to further clean-up by Caltrans on the Bypass Lands, as well as action to secure the community's vision for this important asset.

Join us January 19, 2022 – 6:30-8:00PM for Elected Community Service Academy Session #2

Serving your community helps ensure decisions are made locally. Join MWSD for the second session of our three part academy about roles, responsibilities and what it takes to run for and win an elected role in this community.

Servir a su comunidad ayuda a garantizar que las decisiones se tomen localmente. Únase a MWSD para la segunda sesión de nuestra academia de tres partes sobre roles, responsabilidades y procesos para postularse y ganar un rol electo en esta comunidad.

Together we will review:

- Candidate Filing and Campaign Requirements
- The Election Calendar
- Campaign Strategies

Juntos repasaremos:

- *Requisitos de campaña y presentación de candidatos*
- *El calendario electoral*
- *Estrategias de campaña política*
