

MONTARA WATER AND SANITARY DISTRICT AGENDA

For Meeting Of: **September 7, 2023**

TO: BOARD OF DIRECTORS

FROM: Clemens Heldmaier, General Manager 

SUBJECT: Review and Action Concerning Application for Funding for FEMA-Declared Disasters – Universal Resolution for Sewer Authority Mid-Coastside

Federally-declared disasters have become a more frequent occurrence in the State of California and across the nation. The Federal Emergency Management Agency (FEMA) and California Office of Emergency Services (Cal EOS) provide funding for eligible emergency costs for entities that apply and are approved through their Public Assistance (PA) programs.

Application Requirements

The Sewer Authority Mid-Coastside (SAM) participates in the San Mateo County Local Hazard Mitigation Plan (LHMP) through the Montara Water and Sanitary District's (MWSD or District) LHMP Annex, and, therefore, any Request for Public Assistance (RPA) applications for SAM require the District's Board of Directors action in the form of a Resolution. A Universal Resolution covers all declared disasters for up to three (3) years and does not require the Board to approve separate resolutions for each individual disaster during this timeframe.

Designated Authorized Agents will have the ability to apply for public assistance on behalf of the District. These Authorized Agents are listed by title only, not by name, to avoid new resolutions for every potential staffing change:

- General Manager, Montara Water and Sanitary District
- General Manager, Sewer Authority Mid-Coastside

In addition to the RPA (submitted via FEMA Grants Portal), the following documents must be submitted to Cal EOS in order for payments to be processed:

- OES-FPD-130 / 130SA, Resolution
- OES-FPD-089, Project Assurances
- STD-204, Payee Data Record Form

Universal Resolution Details

A Universal Resolution is effective for all past disasters and for those declared up to three (3) years following the date of approval. Upon expiration it is no longer effective for new disasters, but it remains in effect for disasters declared prior to expiration. It remains effective until the disaster goes through closeout unless it is superseded by a newer resolution.

Grant Programs

Passing a Universal Resolution will allow the District to apply for federal financial assistance for any existing or future grant program, including, but not limited to any of the following:

- Federally declared Disaster (DR), Fire Mitigation Assistance Grant (FMAG), California State Only Disaster (CDAA), Immediate Services Program (ISP), Hazard Mitigation Grant Program (HMGP), Building Resilient Infrastructure and Communities (BRIC), Legislative Pre-Disaster Mitigation Program (LPDM), under
- Public Law 93-288 as amended by the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1988, and/or state financial assistance under the California Disaster Assistance Act.
- Flood Mitigation Assistance Program (FMA), under Section 1366 of the National Flood Insurance Act of 1968.
- National Earthquake Hazards Reduction Program (NEHRP) 42 U.S. Code 7704 (b) ((2) (A) (ix) and 42 U.S. Code 7704 (b) (2) (B) National Earthquake Hazards Reduction Program, and also The Consolidated Appropriations Act, 2018, Div. F, Department of Homeland Security Appropriations Act, 2018, Pub. L. No. 115-141
- California Early Earthquake Warning (CEEW) under CA Gov Code – Gov, Title 2, Div. 1, Chapter 7, Article 5, Sections 8587.8, 8587.11, 8587.12

Resolution Certification

For Cal OES approval, the Universal Resolution must be signed by an individual in attendance who recorded the creation and approval of the resolution, but who is **not** an Approving Board Member or an Authorized Agent. Certification can be completed by the Secretary or the District's Clerk to the Board of Directors. If a person holds two positions (such as Board President and Secretary to the Board) and the Board President is to be listed as an Approving Board Member, then that person could sign the document as Secretary to the Board (not Board President) to eliminate "Self-Certification."

Cal OES Form 130 Instructions

A Designation of Applicant's Agent Resolution for Non-State Agencies is required of all Applicants to be eligible to receive funding. A new resolution must be submitted if a previously submitted resolution is older than three (3) years from the last date of approval, is invalid, or has not been submitted.

When completing the Cal OES Form 130, Applicants should fill in the blanks on pages 1 and 2. The blanks are to be filled in as follows:

Resolution Section:

Governing Body: This is the group responsible for appointing and approving the Authorized Agents.

Examples include: Board of Directors, City Council, Board of Supervisors, Board of Education, etc.

Name of Applicant: The public entity established under the laws of the State of California.

Examples include: School District, Office of Education, City, County or Non-profit agency that has applied for the grant, such as: City of San Diego, Sacramento County, Burbank Unified School District, Napa County Office of Education, University Southern California.

Authorized Agent: These are the individuals that are authorized by the Governing Body to engage with the Federal Emergency Management Agency and the California Governor's Office of Emergency Services regarding grants for which they have applied. There are two ways of completing this section:

1. **Titles Only:** The titles of the Authorized Agents should be entered here, not their names. This allows the document to remain valid if an Authorized Agent leaves the position and is replaced by another individual. If "Titles Only" is the chosen method, this document must be accompanied by either a cover letter naming the Authorized Agents by name and title, or the Cal OES AA Names document. The supporting document can be completed by any authorized person within the Agency (e.g., administrative assistant, the Authorized Agent, secretary to the Director). It does not require the Governing Body's signature.
2. **Names and Titles:** If the Governing Body so chooses, the names **and** titles of the Authorized Agents would be listed. A new Cal OES Form 130 will be required if any of the Authorized Agents are replaced, leave the position listed on the document, or their title changes.

Checking Universal or Disaster-Specific Box: A Universal resolution is effective for all past disasters and for those declared up to three (3) years following the date of approval. Upon expiration it is no longer effective for new disasters, but it remains in effect for disasters declared prior to expiration. It remains effective until the disaster goes through closeout unless it is superseded by a newer resolution.

Governing Body Representative: These are the names and titles of the approving Board Members.

Examples include: Chairman of the Board, Director, Superintendent, etc. The names and titles **cannot** be one of the designated Authorized Agents. A minimum of three (3) approving board members must be listed. If less than three are present, meeting minutes must be attached in order to verify a quorum was met.

Certification Section:

Name and Title: This is the individual in attendance who recorded the creation and approval of this resolution.

Examples include: City Clerk, Secretary to the Board of Directors, County Clerk, etc. This person **cannot** be one of the designated Authorized Agents or Approving Board Member. If a person holds two positions (such as City Manager and Secretary to the Board) and the City Manager is to be listed as an Authorized Agent, then that person could sign the document as Secretary to the Board (not City Manager) to eliminate "Self-Certification."
