

MONTARA WATER AND SANITARY DISTRICT AGENDA

For Meeting Of: **May 2, 2024**

TO: BOARD OF DIRECTORS

FROM: Clemens Heldmaier, General Manager 

SUBJECT: Review and Action Concerning Receipt of Funding for FEMA-Declared Disasters on Behalf of Sewer Authority Mid-Coastside

The District has received additional funding from FEMA and CalOES in the amount of \$360,418.04. The below staff report was initially prepared and submitted for the December 7, 2023 regular meeting. Both SAM and MWSD believe further assistance will be received throughout the remainder of FY 23-24 and potentially FY 24-25.

MWSD intends to bring all further receipts to the attention of the Board as a matter of public record notification of both receipt as well as the full and complete disbursement of funds to SAM.

Federally-declared disasters have become a more frequent occurrence in the State of California and across the nation. The Federal Emergency Management Agency (FEMA) and California Office of Emergency Services (Cal OES) provide funding for eligible emergency costs for entities that apply and are approved through their Public Assistance (PA) programs.

The Sewer Authority Mid-Coastside (SAM) participates in the San Mateo County Local Hazard Mitigation Plan (LHMP) through the Montara Water and Sanitary District's (MWSD or District) LHMP Annex, and, therefore, any Request for Public Assistance (RPA) applications for SAM require the District's Board of Directors action in the form of a Resolution. The District's Board approved a Universal Resolution in support of SAM on August 17, 2023.

Universal Resolution Details

A Universal Resolution is effective for all past disasters and for those declared up to three (3) years following the date of approval. Upon expiration it is no longer effective for new disasters, but it remains in effect for disasters declared prior to expiration. It remains effective until the disaster goes through closeout unless it is superseded by a newer resolution.

Grant Programs

Passing a Universal Resolution allows the District to apply for federal financial assistance for any existing or future grant program, including, but not limited to any of the following:

- *Federally declared Disaster (DR), Fire Mitigation Assistance Grant (FMAG), California State Only Disaster (CDAA), Immediate Services Program (ISP),*

Copies of the checks are attached and the sum total of the funds received is \$360,418.04. These funds will be transferred to SAM by MWSD. MWSD's Board support of SAM made these FEMA reimbursements possible.
